CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 1194

Introduced by Assembly Member Eggman

February 27, 2015

An act to amend Section 5150 of the Welfare and Institutions Code, relating to mental health.

LEGISLATIVE COUNSEL’S DIGEST

AB 1194, as amended, Eggman. Mental health: involuntary commitment.

Existing law, the Lanterman-Petris-Short Act, provides for the involuntary commitment and treatment of persons with specified mental disorders for the protection of the persons so committed. Under the act, when a person, as a result of mental health disorder, is a danger to others, or to himself or herself, or gravely disabled, he or she may, upon probable cause, be taken into custody by a peace officer, member of the attending staff of an evaluation facility, designated members of a mobile crisis team, or other designated professional person, and placed in a facility designated by the county and approved by the State Department of Social Services as a facility for 72-hour treatment and evaluation. Existing law requires, when determining if probable cause exists to take a person into custody, or cause a person to be taken into custody pursuant to the provisions described above, any person who is authorized to take or cause that person to be taken into custody to consider available relevant information about the historical course of

the person's mental disorder, as specified, if the authorized person determines that information has a reasonable bearing on the determination described above.

This bill would ~~require, provide that~~, when determining if a person is a danger to himself or herself, or to others, as a result of a mental health disorder, ~~that should be taken into custody pursuant to the provisions described above~~, the individual making that determination shall consider available relevant information about the historical course of the person's mental disorder, ~~as that phrase is defined, disorder~~ if the individual concludes that the information has a reasonable bearing on the ~~determination. determination~~, and that the individual shall not be limited to consideration of the danger of imminent harm.

Existing law requires the admitting facility to require an application in writing stating the circumstances under which the person's condition was called to the attention of those persons authorized to make the determination of probable cause, and stating that he or she has probable cause, as specified.

The bill would also require the application to record whether the historical course of a person's mental disorder was considered in the determination of probable cause.

By imposing additional duties on local officials, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 5150 of the Welfare and Institutions Code
- 2 is amended to read:
- 3 5150. (a) When a person, as a result of a mental health
- 4 disorder, is a danger to others, or to himself or herself, or gravely

- 6 designated by the county for evaluation and treatment, member of

1 the attending staff, as defined by regulation, of a facility designated

9 Care Services. At a minimum, assessment, as defined in Section
10 5150.4, and evaluation, as defined in subdivision (a) of Section
11 5008, shall be conducted and provided on an ongoing basis. Crisis
12 intervention, as defined in subdivision (e) of Section 5008, may
13 be provided concurrently with assessment, evaluation, or any other
14 service.

16 ~~herself, or to others, as a result of a mental health disorder, the~~
17 ~~individual making that determination shall consider available~~
18 ~~relevant information about the historical course of the person's~~
19 ~~mental disorder, as that phrase is defined in Section 5150.05, if~~
20 ~~the individual concludes that the information has a reasonable~~

24 *pursuant to subdivision (a), the individual making that*
25 *determination shall apply the provisions of Section 5150.05, and*
26 *shall not be limited to consideration of the danger of imminent*
27 *harm.*

28 (c) The professional person in charge of a facility designated
29 by the county for evaluation and treatment, member of the
30 attending staff, or professional person designated by the county
31 shall assess the person to determine whether he or she can be
32 properly served without being detained. If, in the judgment of the
33 professional person in charge of the facility designated by the
34 county for evaluation and treatment, member of the attending staff,
35 or professional person designated by the county, the person can
36 be properly served without being detained, he or she shall be
37 provided evaluation, crisis intervention, or other inpatient or

39 shall be interpreted to prevent a peace officer from delivering
40 individuals to a designated facility for assessment under this

1 section. Furthermore, the assessment requirement of this
2 subdivision shall not be interpreted to require peace officers to
3 perform any additional duties other than those specified in Sections
4 5150.1 and 5150.2.

5 (d) Whenever a person is evaluated by a professional person in
6 charge of a facility designated by the county for evaluation or
7 treatment, member of the attending staff, or professional person
8 designated by the county and is found to be in need of mental
9 health services, but is not admitted to the facility, all available
10 alternative services provided pursuant to subdivision (c) shall be
11 offered as determined by the county mental health director.

12 (e) If, in the judgment of the professional person in charge of
13 the facility designated by the county for evaluation and treatment,
14 member of the attending staff, or the professional person designated
15 by the county, the person cannot be properly served without being
16 detained, the admitting facility shall require an application in
17 writing stating the circumstances under which the person's
18 condition was called to the attention of the peace officer,
19 professional person in charge of the facility designated by the
20 county for evaluation and treatment, member of the attending staff,
21 or professional person designated by the county, and stating that
22 the peace officer, professional person in charge of the facility
23 designated by the county for evaluation and treatment, member of
24 the attending staff, or professional person designated by the county
25 has probable cause to believe that the person is, as a result of a
26 mental health disorder, a danger to others, or to himself or herself,
27 or gravely disabled. The application shall also record whether the
28 historical course of the person's mental disorder was considered
29 in the determination, pursuant to Section 5150.05. If the probable
30 cause is based on the statement of a person other than the peace
31 officer, professional person in charge of the facility designated by
32 the county for evaluation and treatment, member of the attending
33 staff, or professional person designated by the county, the person
34 shall be liable in a civil action for intentionally giving a statement
35 that he or she knows to be false.

36 (f) At the time a person is taken into custody for evaluation, or
37 within a reasonable time thereafter, unless a responsible relative
38 or the guardian or conservator of the person is in possession of the
39 person's personal property, the person taking him or her into
40 custody shall take reasonable precautions to preserve and safeguard

1 the personal property in the possession of or on the premises
2 occupied by the person. The person taking him or her into custody
3 shall then furnish to the court a report generally describing the
4 person's property so preserved and safeguarded and its disposition,
